

**Season of Surprises! (1 Chronicles 12:32)  
MIRACLE MINISTRY NEWSLETTER  
[January-March 2006]**

What a mighty GOD we serve! It's a New Year again and it's time to reflect on what God did in the past year and prepare for what He's about to do this New Year. Truly saints of God, the Lord has surely been faithful! Numerous outstanding breakthroughs even when all hope seemed lost in diverse situations. Truly, His name is Excellent Jehovah!

I personally give thanks to God for victories in all areas of life – especially here at the ministry. We witnessed a harvest of souls to the glory of God last year in our international crusades – all the glory belongs to JESUS! So many healing testimonies and truly, it's amazing serving our wonderful Lord and Savior Jesus Christ!

As we begin 2006, the Lord had already given me a prophetic insight into 2006 a few years ago. He told me, it will be a year of surprises! This year shall be like the beginning of years (Exodus 12:2). It shall be a year so full of surprises. For those who are on the Lord's side, it shall be a year of pleasant surprises and for those who are not on the Lord's side, unpleasant surprises may be unavoidable. The Lord said this year shall be a very special and important year throughout the history of man. I am personally looking out for what the Lord is up to this year but I am persuaded in my spirit that "it shall be well with the righteous" (Isaiah 3:10).

To confirm the words that the Lord had already spoken to me, my father in the Lord (Pastor E. A. Adeboye) by the spirit of God said 2006 shall be a year of ultimate breakthrough. When I heard that, I knew in my spirit, it was a confirmation because the Spirit of God is one. For those who are like the children of Issachar (1 Chronicles 12:32) who can discern the times and seasons will agree that we need to be watchful in these coming days. We need to be sober, vigilant (1 Peter 5:8) and very watchful (Matthew 25:13).

I therefore beseech you as an elect of God that you live everyday of this year accountably unto God. Be like the 5 wise virgins who were prepared for the groom (Matthew 25:1-13). This is the time to be steadfast, diligent and faithful to God in our walk with Him [SELAH].

## **Ministry Updates**

By the grace of God, 2005 was totally outstanding and we give praise to His name for everything! We also had some challenges as well in the course of 2005. However, we are not going to “park at our successes or park at our failures” but we are going to press on until we fulfill our calling. Therefore, by the special grace of God, 2006 shall be a year of more outreach as the Lord opens the doors of the nations to preach the everlasting gospel of Jesus Christ. We are trusting God this year for crusades in Africa (February and May), crusades in Asia (April), crusades in North America (May), and a trip to the Holy Land later this year! Jehovah Jireh shall make a way in Jesus’ name!

Also, other outreaches like our radio arm by the grace of God would be up and running anytime from April. So many things that we believe God would do this year and it’s just a honor to serve Him.
